LIZETTE MICAH

character design | visual development

Experience

Pipeline Studios

May 2022 - June 2022

2D Design Intern

- Developed characters, costumes, and props for the PBS Kids show, "Work it out Wombats!"
- Created rotational views and angles of characters and props to align with the storyboards of the assigned episodes.
- Efficiently addressed revisions and maintained updated notes to adhere to the show's production schedule.
- Collaborated with design supervisor and fellow designers to ensure consistency in designs and revisions with the show's art style.
- Utilized Toon Boom Harmony's vector line pencil tool to cleanup designs and provided formatted PNG files for client's review.

Four Paws Productions

Sept 2021 - April 2022

Production Manager

- Third Production Manager for third-year group film project, overseeing all production aspects.
- Facilitated regular check-ins and status updates with team members to ensure progress.
- Participated in weekly meetings with team members and mentor to discuss project development.
- Demonstrated strong time management skills by consistently meeting deadlines and effectively managing production workflow.
- Fostered a collaborative atmosphere by actively providing and receiving feedback among team members.
- Cultivated a positive and welcoming environment to enhance teamwork and project morale.

Freelance Artist

Sept 2018 - Present

Digital Artist

- Skilled in client relations and engaging in effective one-on-one conversations.
- Proficient in communication, actively receiving feedback, and providing regular updates.
- Ensuring client satisfaction by meeting their standards and expectations.

Education

Bachelor of Animation

Sheridan College
